

Welcome to CROSSWAYS COUNSELLING SERVICE

**The Link Community Hub
Derby Road

Crossways is based at The Link Community Hub, adjacent to St Bartholomew's parish church in Haslemere.

There is a small car park which is accessed from Derby Road.

It can be busy and so give yourself time to find alternative parking if needed. You will find additional parking on Derby Road (note that this is a one-way street). You may find parking spaces in front of the church building and also on High Lane. It does get busy first thing in the morning due to school drop off so please allow plenty of time.

To access the Link building walk through the carpark into the church cemetery. Look out for the covered walkway. The entrance is via the door through the oak walkway between the building and St Bartholomew's church (not the entrance off the car park).

When you arrive at the door, press 2 on the keypad followed by the green bell, and a steward will buzz you in. You will need to make your way up to the first floor. Use the staircase or the lift to head upstairs and enter through the double doors into the counselling suite. The steward will greet you and you will be able to take a seat in the waiting area (there are unisex WCs on both floors). Your counsellor will collect you at the session start time. If you arrive early, please wait in your car and come just before your session is due to start.

If you have trouble finding the building or the entrance, please ring your counsellor on the mobile number provided.

We look forward to seeing you
